

COVID-19 Guidelines for Fall 2020

In-Person Classroom Experience

The College has worked to create a classroom experience that remains dynamic and engaging while also considering health and safety. All classrooms will have a minimum of six feet between students and a nine-foot separation for the instructor, including outdoor classrooms.

Only students wearing masks will be allowed to participate in-person in classes. When meeting in person, students are required to stay in their assigned seats for the duration of the class period and should avoid getting out of their seat for any reason. Students should not adjust the classroom configuration, as each classroom has been set up specifically to meet physical distancing guidelines. Prior to leaving class, students must clean their desk and chair with cleaning supplies provided by the College.

Students who are not in compliance with these classroom guidelines laid out by the College will be given an opportunity to comply by their instructor. If a student fails to comply when asked, the faculty member will ask the student to leave the classroom. If the student fails to leave the classroom, the faculty member may contact Campus Safety and dismiss the class. The College asks that students do not put their faculty members and fellow classmates in this situation, and instead simply comply with the guidelines as asked. Students who do not follow the College guidelines to create a safe classroom experience may be charged with a violation of the Requests or Orders policy.
