Rollins College Policy on Drug Abuse

Rollins College is dedicated to the intellectual, scholarly and personal enhancement of its students and, as such, expects all members of the academic community to behave in a manner conducive to that end. The highest standards of personal and professional conduct must be maintained by faculty, staff, and students. The goals of the policy are to:

- Prevent drug abuse through a strong educational effort.
- Encourage and facilitate the use of counseling services and rehabilitation programs by those members of the academic community who require assistance in stopping drug abuse.
- Appropriately sanction members of the academic community who engage in illegal drug-related behaviors.

Please see the full policy for detailed information. (HR 080.00, June 2012)
