Rollins College - Institutional Information

Mission

May 9, 2014

Rollins College educates students for global citizenship and responsible leadership, empowering graduates to pursue meaningful lives and productive careers.

We are committed to the liberal arts ethos and guided by its values and ideals.

Our guiding principles are excellence, innovation, and community.

Rollins College is a comprehensive liberal arts college. We are nationally recognized for our distinctive undergraduate and selected graduate programs. We provide opportunities to explore diverse intellectual, spiritual, and aesthetic traditions. We are dedicated to scholarship, academic achievement, creative accomplishment, cultural enrichment, social responsibility, and environmental stewardship. We value excellence in teaching and rigorous, transformative education in a healthy, responsive, and inclusive environment.

Short Mission

Educating for global citizenship and responsible leadership.

Vision

Rollins College strives to be one of the nation's leading colleges, emphasizing academic excellence, global citizenship, personal growth, and responsible leadership.

Guiding Commitments

Rollins College is a laboratory for pragmatic liberal education where students, faculty, and staff engage in active learning that leads to transformative experiences.

The Rollins College Experience will integrate:

- A diverse community of learners committed to intellectual values, scholarship, and integrity;
- An institutional culture that embraces local and global citizenship and leadership;
- A campus environment that contributes to students' intellectual, social, emotional, physical, and moral development and well-being; and
- An innovative, supportive work environment in which faculty, staff, and students learn and grow.

How Rankings Are Determined - Summary

Outcomes (35%)

Success at retaining and graduating students within the 150 percent of normal time (six-years).

The success of Pell Grant students. A higher Pell Grant graduation rate scores better than a lower one.

The rate of first-year students who return to campus for sophomore year and eventually graduate.

Social Mobility (5%), graduation and retention (22%) and graduation rate (8%) = 35%

Faculty Resources (20.0%)

Factors include: Class size, Faculty Salary, Highest Degree of Faculty, Student-to-Faculty ratio; Proportion of Full-time Faculty.

Expert Opinion (20%)

Survey of top academics - president, provost and deans of admissions, including peer and high school counselors assessments.

Financial Resources (10%)

Per-student spending, including spending on instruction, research, student services.

Student Excellence (10%)

Standardized Tests (7.75%) and High School Class Standing (2.25%)

Enrollees who took the mathematics and evidence-based reading and writing portions of the SAT and the ACT; and the proportion of those who graduated in the top quarter of their high school classes.

Alumni Giving Rate (5%)

This reflects the average percentage of living alumni with bachelor's degrees who gave to their school during 2015-2016 and 2016-2017, which is an indirect measure of student satisfaction.
