## Rollins College - Institutional Information

### Mission

May 9, 2014

Rollins College educates students for global citizenship and responsible leadership, empowering graduates to pursue meaningful lives and productive careers.

We are committed to the liberal arts ethos and guided by its values and ideals.

Our guiding principles are excellence, innovation, and community.

Rollins College is a comprehensive liberal arts college. We are nationally recognized for our distinctive undergraduate and selected graduate programs. We provide opportunities to explore diverse intellectual, spiritual, and aesthetic traditions. We are dedicated to scholarship, academic achievement, creative accomplishment, cultural enrichment, social responsibility, and environmental stewardship. We value excellence in teaching and rigorous, transformative education in a healthy, responsive, and inclusive environment.

### Short Mission

Educating for global citizenship and responsible leadership.

### Vision

Rollins College strives to be one of the nation's leading colleges, emphasizing academic excellence, global citizenship, personal growth, and responsible leadership.

### Guiding Commitments

Rollins College is a laboratory for pragmatic liberal education where students, faculty, and staff engage in active learning that leads to transformative experiences.

### The Rollins College Experience will integrate:

- A diverse community of learners committed to intellectual values, scholarship, and integrity;
- An institutional culture that embraces local and global citizenship and leadership;
- A campus environment that contributes to students' intellectual, social, emotional, physical, and moral development and well-being; and
- An innovative, supportive work environment in which faculty, staff, and students learn and grow.

## Rollins College Polices

### **Nondiscrimination Policy Statement**

It is the policy of Rollins College not to discriminate on the basis of sex, disability, race, age, religion, color, national or ethnic origin, ancestry, marital status, veteran status, sexual orientation, gender identity, gender expression, genetic information, physical characteristics, or any other category protected by federal, state, or local law, in its educational programs, admissions policies, financial aid, employment, or other school-administered programs. The policy is enforced by Rollins and, where applicable, federal laws such as Title IX of the Education Amendments of 1972, Title VII of the Civil Rights Act of 1964, Section 504 of the Rehabilitation Act of 1973, and the Age Discrimination Act of 1975. The College is an equal opportunity educational institution. (HR 030.00, October 2011)

### **The Drug-Free Schools and Communities Act (excerpt)**

Rollins College is dedicated to the intellectual, scholarly and personal enhancement of its students and, as such, expects all members of the academic community to behave in a manner conducive to that end. The highest standards of personal and professional conduct must be maintained by faculty, staff, and students. Illegal and/or abusive use of drugs by members of the college community adversely affects the quality of campus life and the mission of the College and is therefore, prohibited. (HR 080.00, 2016)

### **The goals of the policy are to:**

- Prevent drug abuse through a strong educational effort.
- Encourage and facilitate the use of counseling services and rehabilitation programs by those members of the academic community who require assistance in stopping drug abuse.
- Appropriately sanction members of the academic community who engage in illegal drug-related behaviors.

### **Campus Violence Prevention**

Rollins College takes seriously the safety and security of its students, faculty, staff, and visitors. To ensure an atmosphere that fosters and promotes the College's educational mission, Rollins is committed to maintaining a safe environment free of violence and threats of violence on campus, in Rollins worksites, classrooms, off-site locations, and other places where members of the community are engaged in College activities. Rollins College does not tolerate, condone, or ignore any type of campus violence committed by or against members of the College community. Faculty, staff, students, visitors, contractors, and vendors are prohibited from engaging in any violent or threatening behavior. Individuals who engage in violent or threatening behavior will be subject to disciplinary action up to and including termination, expulsion from campus, and/or criminal prosecution. No person shall be retaliated against for reporting campus violence. Retaliation can be reported to the AVP of Human Resources and Risk Management. (HR 088.00, September 2015)

### How Rankings Are Determined - Summary

#### **Outcomes (35%)**

Success at retaining and graduating students within the 150 percent of normal time (six-years).

The success of Pell Grant students. A higher Pell Grant graduation rate scores better than a lower one.

The rate of first-year students who return to campus for sophomore year and eventually graduate.

Social Mobility (5%), graduation and retention (22%) and graduation rate (8%) = 35%

#### **Faculty Resources (20.0%)**

Factors include: Class size, Faculty Salary, Highest Degree of Faculty, Student-to-Faculty ratio; Proportion of Full-time Faculty.

#### **Expert Opinion (20%)**

Survey of top academics - president, provost and deans of admissions, including peer and high school counselors assessments.

#### **Financial Resources (10%)**

Per-student spending, including spending on instruction, research, student services.

#### **Student Excellence (10%)**

Standardized Tests (7.75%) and High School Class Standing (2.25%)

Enrollees who took the mathematics and evidence-based reading and writing portions of the SAT and the ACT; and the proportion of those who graduated in the top quarter of their high school classes.

#### **Alumni Giving Rate (5%)**

This reflects the average percentage of living alumni with bachelor's degrees who gave to their school during 2016-2017 and 2017-2018, which is an indirect measure of student satisfaction.
