The Drug-free Schools and Communities Act

Rollins College Policy on Drug Abuse

Rollins College is dedicated to the intellectual, scholarly and personal enhancement of its students and, as such, expects all members of the academic community to behave in a manner conducive to that end. The highest standards of personal and professional conduct must be maintained by faculty, staff, and students. Illegal and/or abusive use of drugs by members of the college community adversely affects the quality of campus life and the mission of the College and is therefore prohibited. (HR 080.00, June 2012)

The goals of the policy are to:

- Prevent drug abuse through a strong educational effort.
- Encourage and facilitate the use of counseling services and rehabilitation programs by those members of the academic community who require assistance in stopping drug abuse.
- Appropriately sanction members of the academic community who engage in illegal drug-related behaviors.

Campus Violence Prevention

Rollins College considers safety and security of its students, faculty, staff, and visitors its highest priority. To ensure an atmosphere that fosters and promotes the College's educational mission, Rollins is committed to maintaining a safe environment free of violence and threats of violence on-campus, in Rollins work-sites, classrooms, off-site college locations, and other places where members of the community are engaged in College activities. Rollins College does not tolerate, condone, or ignore any type of campus violence committed by or against members of the College community. Faculty, staff, students, visitors and vendors are prohibited from engaging in any violent or threatening behavior. Individuals who engage in violent or threatening behavior will be subject to disciplinary action up to and including termination, expulsion from campus, and/or criminal prosecution.
