Computer Labs

Acceptable Use Policy For Computer Labs

Computer/Internet Access

Access to public lab facilities is provided by Rollins Information Technology as a service to students, staff and faculty to better achieve the mission of the college. Users must carry a Rollins College identification (R-Card) per College policy. Users may be asked at any time to provide identification i.e. R-Card.

Use of IT computers, networking or facilities constitutes consent to the Rollins College Information Technology (IT) Acceptable Use Policy and any policies instituted by IT governing the use of lab environments, facilities, and equipment.

Limited use of privilege may be granted to official visitors or guests of Rollins College.
